

There's No Way Out Of Here

Monster Magnet

There's no way out of here
When you come in, you're in for good
There was no promise made
The part you've played, the chance you took
There are no boundaries set
The time and yet, you waste it still So it slips through your hands
Like grains of sand, you watch it go
There's no time to be lost
You'll pay the cost, so get it right
There's no way out of here
When you come in, you're in for good Your life slips through your hands
Like grains of sand, you watch it go
There's no time to be lost
You'll pay the cost if you say no
There's no way out of here
When you come in, you're in for good
You blow your only chance away There are no answers here
When you look out you don't see in
There was no promise made
The part you've played, the chance you took
There's no way out of here
When you come in, you're in for good Your life slips through your hands
Like grains of sand, you watch it go
There's no time to be lost
You'll pay the cost if you say no
There's no way out of here
When you come in, you're in for good
You blow your only chance away, yeah There's no way out of here
When you come in, you're in for good
There was no promise made
The part you've played, the chance you took There's no way out of here
When you come in, you're in for good
There's no way out of here
When you come in, you're in for good
There's no way out of here
When you come in, you're in for good There's no way out of here
When you come in, you're in for good
There's no way out
