There's No Way Out Of Here

Monster Magnet

There's no way out of here

When you come in, you're in for good

There was no promise made

The part you've played, the chance you took

There are no boundaries set

The time and yet, you waste it stillSo it slips through your hands

Like grains of sand, you watch it go

There's no time to be lost

You'll pay the cost, so get it right

There's no way out of here

When you come in, you're in for goodYour life slips through your hands

Like grains of sand, you watch it go

There's no time to be lost

You'll pay the cost if you say no

There's no way out of here

When you come in, you're in for good

You blow your only chance awayThere are no answers here

When you look out you don't see in

There was no promise made

The part you've played, the chance you took

There's no way out of here

When you come in, you're in for goodYour life slips through your hands

Like grains of sand, you watch it go

There's no time to be lost

You'll pay the cost if you say no

There's no way out of here

When you come in, you're in for good

You blow your only chance away, yeahThere's no way out of here

When you come in, you're in for good

There was no promise made

The part you've played, the chance you tookThere's no way out of here

When you come in, you're in for good

There's no way out of here

When you come in, you're in for good

There's no way out of here

When you come in, you're in for goodThere's no way out of here

When you come in, you're in for good

There's no way out
