Nine Below Zero

Sonny Boy Williamson II

Yeah, ain't that a pity People ain't that a cryin' shame Ain't that a pity I declare it's a cryin' shame She wait till it got nine below zero And put me down for another manI give her all my money All of my lovin' and everything All of my money All of my lovin' and everything It done got nine below zero And she done put me down for another manNine below zero The little girl she done put me down Nine below zero The little girl she done put me down She know I don't have nowhere to stay And I don't have not one dime
