Love Crucified Arose

Michael Card

Long ago, He blessed the earth
Born older than the years
And in the stall the cross He saw
Through the first of many tearsA life of homeless wandering
Cast out in sorrow's way
The Shepherd seeking for the lost
His life, the price He paidLove crucified arose
The risen One in splendor
Jehovah's sole defender
Has won the victoryLove crucified arose
And the grave became a place of hope
For the heart that sin and sorrow broke
Is beating once againThroughout Your life You've felt the weight
Of what You'd come to give
To drink for us that crimson cup
So we might really liveAt last the time to love and die
The dark appointed day
That one forsaken moment when
Your Father turned His face awayLove crucified arose
The One who lived and died for me
Was Satan's nail pierced casualty
Now He's breathing once againLove crucified arose
And the grave became a place of hope
For the heart that sin and sorrow broke
Is beating once againLove crucified arose
The risen One in splendor
Jehovah's sole defender
Has won the victoryLove crucified arose
And the grave became a place of hope
For the heart that sin and sorrow broke
Is beating once againLove crucified arose
The One who lived and died for me
Was Satan's [Incomprehensible] casualty
Now He's breathing once again
