# Dead Weight

## Simon Says

I've gone through the reasons why it's all worth it but I still
feel overwhelmed
Did you ever think you'd be staring at yourself in the mirror
wondering where it's all gone?
I've walked through these faces hopeless and desperate
For answers I can't find
I never thought the time would be ticking away in my
Corner she calls and she
Knows my nameDon't know what I want
Don'tI've tripped on solutions I've stumbled on glory I've lost
What we'd all die for
Did you ever think you'd be flying above your naked
Body? Your life spilling to the floorDon't know what I want
Don'tI'm falling to pieces and I never thought my time
Would run out
And I loathe all these reasons that I never fit this
Mold in your life
In your lifeNow I'm all right I'll be fine once I'm gone
Hold on is so easy for you to sayI wrote the letter I savor my last breath I'm feeling better have I made huge
mistake?Don't know what I want
Don'tI'm falling to pieces and I never thought my time
Would run out
And I loathe all these reasons that I never fit this
Mold in your life
I'm falling to pieces I never thought my time I
Never thought it'd run out
And I loathe all these reasons I never fit this
Mold I never fit this mold in your life
In your life in your life in your life in your life
