

Invisible

Miggs

Tried to say hello, she passes me to leave
But I just mutter sound, I have to meet herAm I coming through? Am I loud and clear?
Am I anything to you, do you notice that I'm here?
Would you take my hand? Cause I can't stop shaking
I can't stop shakingI'm not myself, I'm not myself
Why can't you see me, cause I am right hereI tried to say hello again but to no avail
I'm staring at your back as you drive another nail
Into my heart, into my head
I'm hanging my regrets on the words I never saidI'm not myself, I'm not myself
Why can't you see me, cause I am right hereAm I invisible? Am I invisible? I am right here
Close the door, it's getting cold in here
Ah, what's it matter I'm going numb, believe me
Remember when you believed in me?
When you believed in me
