

Mary's Joint

Mary J. Blige

I know that you're just a man
But you're all the man I need
And I know that you care
And you'll never leave
No, you'll never leave I love you so, I can't let go
You know it's real the way I feel
I want to stay, I'll try to wait
On you, my dear my love's sincere You promised that you
Never would cheat or lie
Lie to me, don't lie to me, babe
And you promised that you'd trust
And believe in me, please believe in me Unnecessary pain
(Pain is pain)
Now tell me who would get the pain
(You know it hurts)
If we should go astray
What would we do? What could we say? I love you so, I can't let go
You know it's real the way I feel
I want to stay, I'll try to wait
On you, my dear my love's sincere I love you so, I can't let go
You know it's real the way I feel
I want to stay, I'll try to wait
On you, my dear my love's sincere I love you so, I can't let go
You know it's real the way I feel
I want to stay, I'll try to wait
On you, my dear my love's sincere I love you so, I can't let go
You know it's real the way I feel
I want to stay, I'll try to wait
On you, my dear my love's sincere Why can't we work it out
Why baby, can't we try?
You said our love would
Always stand the test of time
