## Bring Me the Horizon

And then I found out how hard it is to really change  
Even hell can get comfy once you've settled in  
I just wanted the numb inside me to leave  
No matter how fucked you get  
The sun will return and you come back down!  
The funny thing is all I ever wanted I already had  
There's glimpses of heaven in every day  
In the friends that I have, the music I made  
The love that I feel, I just had to start again  
The days are a death wish  
A witch hunt for an exit  
I am powerless  
The fragile, the broken  
Sit in circles and stay unspoken  
We are powerless  
Because we all walk alone on an empty staircase  
Idle in the halls and nameless faces  
I am powerless  
Everybody wants to go to heaven  
But nobody wants to die  
I can fear death no longer  
I've died a thousand times  
A wasteful universe  
And we don't know our soul was  
Emptiness inside our heads  
But no one dares to dwell  
Throw me to the flames  
Watch me burn  
Set my world ablaze  
Watch me burn  
How are we on a scale of one to ten?  
You can tell me, what do you say?  
Do you wanna talk about it?  
How does that make you feel?  
Have you ever took a blade to your wrists  
Have you've been skipping meals  
We're gonna try something new today  
How does that make you feel?  
Hold me close, don't let go, watch me  
Hold me close, don't let go, watch me  
Hold me close, don't let go, watch me  
In this hospital for souls  
Hold me close, don't let go, watch me  
Hold me close, don't let go, watch me  
Hold me close, don't let go, watch me  
In this hospital for souls  
Hold me close, don't let go, watch me  
Hold me close, don't let go, watch me  
Hold me close, don't let go, watch me  
In this hospital for souls  
Hold me close, don't let go, watch me burn

Hold me close, tell me go, watch me burn  
Hold me close, don't let go, watch me burn  
In this hospital for souls  
Hold me close, tell me go, watch me burn  
Hold me close, don't let go, watch me burn  
In this hospital for souls
