

Feel For You

Joe

My baby oh, oh, oh
I can't believe
That I am admitting this to you
'Coz if you know me
Then you know how hard
It is for me to say what I mean
Now I've seen this on TV
Twice in the movies
Never thought that
It could happen to your homie
Now I'm a believer
In all the things I do with you 'coz
I've never felt that
Our love could be perfect
And that's what I feel for you
And don't you forget that
That you're more than worth it
And that's what I feel for you
I feel like Ali when he shook up the world
And like Prince felt when he wrote 'The Most Beautiful Girl'
Your love is like a song I love to sing
And that's what I feel for you
Said I've never been hooked like this but I tell ya
Girl I'm all for it, you I adore it
Anything you tell me that you need, girl, I'll get it
I'm in it for the long run
Swear you've got me on one
I'm down right till the end of time
I'm with you, with you my baby
You gotta understand
I need
All I do is think of you
And I swear that I've never felt
Our love can be perfect
And that's what I feel for you
Don't you forget that
That you're more than worth it
And that's what I feel for you
I feel like Ali when he shook up the world

And like Prince felt when he wrote 'The Most Beautiful Girl'
Your love is like a song I love to sing
And that's what I feel for you
I need everybody who needs somebody
To grab 'em by the hand
And tell 'em just like this
That when I'm with you
I don't want no one else
You gotta me feeling better
Than I've ever felt
I'm talking about everyday
And every night
And when I hold you in my arms
It's just like heaven
Nothing feels better
I can't believe
It took me so long
But I ain't ever felt
Our love can be perfect
And that's what I feel for you
And don't you forget that
That you're more than worth it
And that's what I feel for you
I feel like Ali when he shook up the world
And like Prince felt when he wrote 'The Most Beautiful Girl'
Your love is like a song I love to sing
And that's what I feel for you
I've never felt, oh
Our love can be perfect
And that's what I feel for you
And don't you forget that
That you're more than worth it
And that's what I feel for you
I feel like Ali when he shook up the world
And like Prince felt when he wrote 'The Most Beautiful Girl'
Baby, your love is like a song I love to sing
And that's what I feel for you
That's what I feel for you
That's what I feel for you
