

# Just For Me

Al Green

Your love is just for me, for me  
Its just for me  
Its just for me, for me, for me  
Its just for me I stepped out to say,  
That I love you more each day  
And you turned around, and you knocked me down  
But I love you still baby, baby Why cant you tell that I love you  
By the way, that I smile  
Oh why can't you bring more love to the table  
You drive me wild [Chorus]  
Your love is just for me for me  
I can tell, oh for nobody but me  
Your love for me its for me  
I can tell  
Its just for me Just stepped out to say  
We'd make our love worth living  
And by now I think our love is more  
Its more than giving, hey, hey, Why can't you tell that I love you  
By the way, that I smile  
Why can't you bring more love to the table  
You drive me wild [Chorus] Singing 'bout you everyday this way  
Singing 'bout you what can I say  
Hanging by you is more for me  
Ah Your love is just for me, its for me, its just for me  
Your love is for me, for me, for me, just for me  
Your love is for me, for me, for me, just for me  
Your love is for me, for me, for me, just for me  
Your love is for me, for me, for me, just for me  
Your love is for me, for me, for me, just for me
