

Sympathetic

Seether

And my words will be here when I'm gone
As I'm fading away against the wind
And the words you left me, linger on
As I'm failing again now, never to change this And I'm sympathetic, never letting on
I feel the way I do
As I'm falling apart again at the seam And it seems I'm alone here, hollow again
As I'm flailing again against the wind
And the scars I am left with, swallow again
As I'm failing again now, never to change this And I'm sympathetic, never letting on
I feel the way I do
As I'm falling apart again at the seam And I'm sympathetic, never letting on
I feel the way I do
As I'm falling apart again at the seam The same old feelings are taking over
And I can't seem to make 'em go away
And I can't take all the pressure sober
But I can't seem to make it go away The same old feelings are taking over
And I can't seem to make 'em go away
'Cos I can't take all the pressure sober
(I can't make it go away)
I can't make it go away And I'm sympathetic, never letting on
I feel the way I do
As I'm falling apart again at the seam And I'm sympathetic, never letting on
I feel the way I do
As I'm falling apart again at the seam And I'm falling, falling
Falling, falling, falling, falling
Falling apart again at the seam
