

Come Back to Me

David Cook

You say you gotta go and find yourself
You say that you're becoming someone else
Don't recognize the face in the mirror
Looking back at you You say you're leaving
As you look away
I know there's really nothin' left to say
Just know I'm here
Whenever you need me
I'll wait for you [Chorus]
So I'll let you go
I'll set you free
And when you see what you need to see
When you find you
Come back to me Take your time I won't go anywhere
Picture you with the wind in your hair
I'll keep your things right where you left 'em
I'll be here for you [Chorus] And I hope you find everything that you need
I'll be right here waiting to see
You find you
Come back to me I can't get close if you're not there
I can't get inside if there's no soul to bare
I can't fix you I can't save you
It's something you have to do [Chorus] Come back to me [Chorus] And I hope you find everything that you need
I'll be right here waiting to see
You find you
Come back to me When you find you come back to me
When you find you come back to me
When you find you come back to me.
