Sensations

Bravehearts

Advisory - the following lyrics contain explicit language:

I get a sensation when you suck my dick
And you lick my balls
Gimme that good pussy
I can knock down them allI get a sensation when you suck my dick
And you lick my balls
Gimme that good pussy
I can knock down them allYo' it feels so good, shorty gobblin' and swallowin'
Baby bob then weave them lips I bust on top of them
Your ass so fat, you see ghetto booty bounce up and down
Like a porno movie, 'Girls Gone Wild', swing it all around
Can I hit it like this, like that? I get way inside from the back
Stand up ma, bend over love
Let me control you, I'll fold you all up like a pretzel
I'll protect and caress you, adorable, I won't neglect you or disrespect youI get a sensation when you suck my dick
And you lick my balls
Gimme that good pussy
I can knock down them allI get a sensation when you suck my dick
And you lick my balls
Gimme that good pussy
I can knock down them allNigga she was addicted to what the dick did
Had her goin' crazy fuckin' with them lips kid
Doin' it, cum quick I might ruin it
So I gotta switch positions and get into it
And bitch you better hold on for that ride
Rowdy Piper, yes my dick's inside I mean
My shit must of been made for this spot
'Cause I couldn't think of a better place
(Why not?)'Cause the weed and liquor is gettin' to me
In the flash and that ass is where it's suppose to be
Pussy take me to ecstasy so I know when I beat it I'm good
You stayin' right next to me

And girl you know that I'll do it all night
Fuck to the mornin' I get it right
Bravehearts about to blow
G W I Z I tell them, ohhI get a sensation when you suck my dick
And you lick my balls
Gimme that good pussy
I can knock down them allI get a sensation when you suck my dick
And you lick my balls
Gimme that good pussy
I can knock down them allYo' I rip it up right, yea
I make a hoe wanna turn into my housewife
The sex, the cash, I'm from the projects
I grew up fast
I had the old and the young hoodrats
Mixin' hypnotic and the cognac
Bitches on my dick cause I bust my gats
So mnage trios, it'd be like thatSo let me turn it a tad, I eat it up, beat it up when I'm in it
I think I fucked some, that'll go and get 'em rimming
Blaze the haze, the sex is crazy
Fuck you friend, she aint wit it, she hatin' huh?
The brains is serious put me on
I'm a pimp or mack dats dealin' till dawn
Jungle, Wiz straight out the Bridge
In the club bitches see us and they lickin they lipsI get a sensation when you suck my dick
And you lick my balls
Gimme that good pussy
I can knock down them allI get a sensation when you suck my dick
And you lick my balls
Gimme that good pussy
I can knock down them all
