

# Happy Hour

## Deodato

Happy, happy hour  
Now's the time  
Tonight you're mineHappy, happy hour  
Come alive  
After nine to fiveHappy, happy hour (Oooh, yeah)  
Now's the time  
Tonight you're mineLive it up, live it up (Woooh!)  
Come alive  
After nine to fiveAfter all the things you do  
Within the working day  
There's a time to ease your mind  
And put your cares away  
Come to the place  
Where you can always have some fun  
At the party your wheels get rolled in  
Take your chance, get up and danceHappy, happy hour (Happy hour)  
Now's the time  
Tonight you're mineLive it up, live it up (Woooh!)  
Come alive  
After nine to fiveYou can come with all your friends  
And make some new ones too  
Everybody's there for reasons  
Just the same as youCome to the place  
Where you can always have some fun  
If you want some joy and laughter  
Take a chance, get up and dance  
Happy, happy hour (Yeah, yeah)  
Now's the time  
Tonight you're mineLive it up, live it up (Woooh!) (Come on, boogie with me)  
Come alive  
After nine to fiveTake your time for fun and leisure  
You need to get away  
There's no doubt it's gonna please you  
Take your chance, get up and danceHappy, happy hour (Happy, happy hour)  
Now's the time  
Tonight you're mineHappy, happy hour  
Come alive  
After nine to fiveHappy, happy hour (Ohoho, yeah)
