

# Reckless (Still Growin' Up)

Kip Moore

I spent a summer down south, working for the county, trying to save for school  
I blew it all like a damn fool on women and beer  
I didn't have the grades but I had myself a major league fastball  
Got a call from the minor leagues in Wichita and blew out my arm in the first year, ha-ha, yeah Well, I took a  
good look at my life and decided I'd make a change  
Booked me a flight on an airplane, I was 3rd world Peace Corps bound  
But I met me a stewardess right there in the airport bar  
Before I knew it I was in her car and never turned around Well, maybe I'm reckless, maybe bad luck, hell maybe  
I'm way too much about having fun  
I'll send you a postcard, send me your love, just don't give up on me yet, I'm still growing up I went to work for  
my uncle on the coast called the hot spot  
We took our breaks on the boat docks and I got fired for smoking pot  
with the beach right there I guess surfing was the logical next move  
But I got mouthy with the wrong dude and got my damn jaw tattooed Well, maybe I'm reckless, maybe bad  
luck, hell maybe I'm way too much about having fun  
I'll send you a postcard, send me your love, just don't give up on me yet, I'm still growing up Alright  
I bought an old guitar with cash from a good hand of blackjack  
learned a few chord from a fat-back, hairy man named Pete  
I got a local gig on the weekends in some old honky-tonk  
Singing 2 hours of nothing but Cash songs, and I could always drink for free  
And some so called big-wig, producer man started sniffing 'round  
He told me he liked my sound but there was something holding me back  
He said a rhinestone suit and a cowboy hat outta do the trick  
I told him I had something he could stick, way on up his ass Well, maybe I'm reckless, maybe bad luck, hell  
maybe I'm way too much about having fun  
I'll send you a postcard, send me your love, just don't give up on me yet, I'm still growing up I'll send you a  
post card, send me your love, just don't give up on me yet, I'm still growing up  
Alright  
but don't give up on me yet  
I know I might take a little time  
But I'm gonna come around  
I just feel Like I still got a few things I gotta Get out of my system, ha ha
