Lonely Night

Fifth Harmony

Now that I got your attention, you better listen up
'Cause I got questions
So why you late night texting?
And why you liking every pic of my best friend?
I get ya, get ya, get ya shit together (uh uh)
I get ya, get ya, get ya shit together (uh uh)
Boy, I got 20/20 vision
And that's the reason I'ma keep my distanceMust be confused about me (what?)
Must be confused about me (what?)
Boy, no room for fools around me
Ayy, ayy, ayy
If you don't treat ya mama right, bye-bye, bye bye
If you got another chick on the side, bye bye, bye bye
You look everywhere but my eyes, bye bye, bye bye
It's gonna be a lonely lonely lonely lonely lonely night, bye bye
Lonely lonely lonely lonely
Lonely lonely lonely lonely lonely night
Lonely lonely lonely lonely
Lonely lonely lonely lonely lonely nightYeah, if you don't learn your lesson
You can get yourself in permanent detention
If you want my love and affection
You better make a good impression
Get ya, get ya, get ya shit together (uh uh)
Get ya, get ya, get ya shit together (uh uh)
Yeah, I got 20/20 vision (got 20/20)
And that's the reason I'ma keep my distance
Must be confused about me ('bout me)
Must be confused about me ('bout me)
No room for fools around me ('round me)
Ayy, ayy, ayyIf you don't treat ya mama right, bye-bye, bye bye
If you got another chick on the side, bye bye, bye bye (and you know I don't want you, baby)
You look everywhere but my eyes, bye bye, bye bye (oh, no)
It's gonna be a lonely lonely lonely lonely lonely night, bye bye (bye bye)
Lonely lonely lonely lonely
Lonely lonely lonely lonely lonely night (lonely night)
Lonely lonely lonely lonely (lonely night)
Lonely lonely lonely lonely lonely nightThis your woman, so get it right
If you don't, then I'll say, "Bye-bye"

This your woman, so get it right (it right)
If you don't, then I'll say, "Bye-bye" ("Bye-bye")
Have a L-O-N-E-L-Y
La-la-la lonely night (la-la-la lonely night)
Lonely, lonely, lonely night, yeahIf you don't treat ya mama right, bye-bye, bye bye (bye-bye, bye bye)
