

Tyrants

[Dawn Richard](#)

[Verse 1]

Lemme see your eyes
I wanna see them glow
I wanna see how far
Your power goes
They Æœ™ll all be scared
Never understand
Our power glows
The light expands[Chorus 1]
This why I call you
I call you tyrants
(The light expands)
This why I call you
I call you tyrants[Verse 2]
It'll always be said
Never understand
How far it goes
The light expands
They Æœ™ll always be scared
Never understand
This power glows
The light expands[Chorus 1]
This why I call you
I call you tyrants
(The light expands)
This why I call you
I call you tyrants[Chorus 2]
This why I call you
I call you tyrants
This why I call you
I call you tyrants[Chorus 3]
This why I call you
I call you tyrants
