Sunshine

Faith Evans

Every day and every night
Boy all I wanna do is keep you satisfied
But if you're away I hold my pillow tight
I imagine that is you lying by my side[Chorus:]
I think that you should know
That you make me lose control
And I never knew a love like this
You are the sunshine in my life
You are the sunshine babe
I see the rainbow in your eyesYou're sexy way
You got my hypnotize
And you deserve respect for staying by my side
Every day and every night
I thank God for blessing me
With you in my life[Chorus:]
I think that you should know
That you make me lose control
And I never knew a love like this
You are the sunshine in my life
You are the sunshine babe
I see the rainbow in your eyesAnd I wanna tell you baby
A special love like this
Doesn't come on every day
Come around every day
And I pray to God never blows away
Pray to God blow awayYou are the sunshine in my life
I see the rainbow in your eyes
You are the sunshine in my lifeDon't you know?
You are the sunshine
I see the rainbow in your eyesMy sunshine
The rainbow in your eyesBaby bay baby baby baby
