

# The Mess

## The Naked And Famous

You sailed away one night in June  
I heard you say you would be back soon  
But since that day it's been on long loon Oh, sweet darling the mess I'm in I spoke to Jimmy with the big tattoo  
Said had he seen any sign of you?  
He looked at me and then laughed at you  
See just wait a minute Oh, darling what a mess I'm in When I want ya do I get ya?  
All I needed your number  
Will you give me your number? Oh sweet darling, oh sweet darling  
Oh, sweet darling what a mess I'm in  
What a mess I'm in, since you left me  
What a mess I'm in When you're near me can you hear me?  
I can't see ya but I can feel ya  
When you're near me can ya hear me?
