

Killer Heels

SableAlexis

I'm steppin' high kinda fly
Looking good It's understood Trendsetter . Like my style?
Heads turning for miles and miles I got my pedi. Almost ready
I'm as hot as Serengeti Just thinking 'bout it gives me chills
I get my thrills from killer Heels I got to get my shoe fix on
I been waiting all day long
Puts me on a natural high
Never too much for me to buy Got them Killer Heels, Killer Heels, Killer Heels on
Got them Killer Heels, Killer Heels, Killer Heels on
Got them Killer Heels, Killer Heels, Killer Heels on
Got them Killer Heels, Killer Heels, Killer Heels on Should I get the Prada? I think I ought ta'
Jimmy Choo? I got a few Manolo Blahnik is my chronic
Yves St Laurent got the funk Giuseppe 'Notti Oh so naughty
I got a thang for Alex Wang and My style? They say I'm wicked
Killer Heels is the ticket! I got to get my shoe fix on
I been waiting all day long
Puts me on a natural high
Never too much for me to buy Got them Killer Heels, Killer Heels, Killer Heels on
Got them Killer Heels, Killer Heels, Killer Heels on
Got them Killer Heels, Killer Heels, Killer Heels on
Got them Killer Heels, Killer Heels, Killer Heels on I'm confident in my walk
Killer Heels make 'em talk Keep 'em on all night long
Knock 'em dead in the bed (he don't even know it) Peep at my Toe-y in my Chloe
Tonight it's Gucci
Hoochie Coochie Just thinking 'bout it gives me chills
I get my thrills from Killer Heels I got to get my shoe fix on
I been waiting all day long
Puts me on a natural high
Never too much for me to buy Got them Killer Heels, Killer Heels, Killer Heels on
Got them Killer Heels, Killer Heels, Killer Heels on
Got them Killer Heels, Killer Heels, Killer Heels on
Got them Killer Heels, Killer Heels, Killer Heels on
