

She (For Liz)

Parachute

She has no problems with secrets
She knows how to keep them
She never felt the need to let them show
And I've had no trouble with speaking
Or trusting my instincts
But maybe this is one that I should know
But as I'm waiting in
The devil on my shoulder stares
Laughing at the one thing I can't get, it's what I need

She, she is the words that I can't find
How can the only thing that's killing me, make me feel so alive
And I couldn't speak
I couldn't breathe to save my life
All of my chances swim like sinking ships
This time it's it
I'll drown or make her mine

My vocal cords have been fighting
My mouth likes to spite me
It never says the words that come to mind
And I brought a stick to a gun fight
And I'm stuck with my tongue tied
I run, but I can't hide what's always there

She, she is the words that I can't find
How can the only thing that's killing me, make me feel so alive
And I couldn't speak
I couldn't breathe to save my life
All of my chances swim like sinking ships
This time it's it
I'll drown or make her mine

I can see these things I do
And never seem to follow through

She, she is the words that I can't find
How can the only thing that's killing me, make me feel so alive

She, she is the words that I can't find

How can the only thing that's killing me, make me feel so alive
And I couldn't speak
I couldn't breathe to save my life
All of my chances swim like sinking ships
This time it's it
I'll drown or make her mine

She, she is the words that I can't find
How can the only thing that's killing me, make me feel so alive
And I couldn't speak
I couldn't breathe to save my life
All of my chances swim like sinking ships
This time it's it
I'll drown or make her mine
