

Holy Water

Cody Jinks

[Verse 1]

I walk around on pins and needles
Around people I can't even name
I keep on passin' church steeples
Prayin' that my God is still the same
I been wanderin' like a fool too blind to see
Maybe it ain't the bottle that I need[Chorus]

I need a shot of holy water
I need it to chase down my demons
And burn 'em just a little bit hotter
I've been havin' drinks with the devil in this neon town
I need a shot of holy water to wash it down

[Verse 2]

Lost in a land of smoke and mirrors
I do my best to just stay clear of my yesterdays
I've been runnin' so long, now I'm runnin' from myself
Tired of runnin' away
I'm still tryin' to get through to the man I wanna be
Maybe I'm not so gone that I can't see[Chorus]

I need a shot of holy water
I need it to chase down my demons
And burn 'em just a little bit hotter
I've been havin' drinks with the devil in this neon town
I need a shot of holy water to wash it down[Bridge]

I need a shot of holy water
I need a shot of holy water
I need a shot of holy water
I need a shot of holy water

[Chorus]

I need a shot of holy water
I need it to chase down my demons
And burn 'em just a little bit hotter
I've been havin' drinks with the devil in this neon town
I need a shot of holy water to wash it down[Outro]

(Holy, holy water)

I need a shot of holy water (Holy, holy water)

I need a shot of holy water (Holy, holy water)

(Holy, holy water)

(Holy, holy water)

(Holy, holy water)

(Holy, holy water)
