Live Through Me

Satyricon

I'm still trying to untangle
The voices in my head
While I'm digging through the rubble
To find what might be left
And I'm hoping it's the promise
You're not finished with me yet

You can fill what's empty

Oh to speak and to hear You speaking
Oh to breathe and to feel Your breath in me

You have always been my Maker
And I am just the clay
You can take these broken pieces
And use them just the same

And that will be Your glory

Oh to speak and to hear You speaking
Oh to breathe and to feel Your breath in me
To love like a fire burning
All consuming Father live through me

Set me ablaze
For my soul's sake
Set me ablaze
â€˜Til only You remain

Oh to speak and to hear You speaking
Oh to breathe and to feel Your breath in me
To love like a fire burning
All consuming Father live through me
