

Is It Like Today

World Party

Many years ago
He
Looked out through a glassless window
All that he could see
Was Ba-bylon
Beautiful green fields
and dreams
and learned to measure the stars
but there was a worry in his heartHe said
How could it come to this?
We're really worried about living
How could it come to this?
Yeah we really wanna know about thisIs it like today?
Oh-oh-ohThen there followed days of kings, empires and revolutions
Blood just looks the same
When you open the veins
And sometimes it was faith, power or reason as the cornerstone
but the furrowed brow has never left his faceHe said
How could it come to this?
We're really living in a landslide
How could it come to this?
Yeah we really wanna know about thisIs it like today?
Oh-oh-ohThen there came a day
Man, packed up, flew off from the planet
He went to the moon, to the moon
To, to the moon, the moon
now he's out in space
Hey, fixing all the problems
He comes face to face with GodHe say
How could it come to this
I'm really worried about my creation
How did it come to this
You're really killing me you knowIt isn't just a day
Oh-oh-oh
Is it like today?
Eh-oh-oh
Is it like today?
Oh Bang!
