

Falling Down (A Monstrous Psychedelic Bubble Mix)

Oasis

The summer sun
It blows my mind
It's falling down on all that I've ever known
Time to kiss the world goodbye
Falling down on all that I've ever known
Is all that I've ever known A dying scream
It makes no sound
Calling out to all that I've ever known
Here am I, lost and found
Calling out to all We live a dying dream
If you know what I mean
All that I've ever known
It's all that I've ever known Catch the wheel that breaks the butterfly
I cried the rain that fills the ocean wide
I tried to talk with God to no avail
Calling my name and out of nowhere
I said "If you won't save me, please don't waste my time" (All that I've ever known)
(It's all that I've ever known) Catch the wheel that breaks the butterfly
I cried the rain that fills the ocean wide
I tried to talk with God to no avail
Calling my name and out of nowhere
I said "If you won't save me, please don't waste my time" The summer sun
It blows my mind
It's falling down on all that I've ever known
Time to kiss the world goodbye
Falling down on all that I've ever known
Is all that I've ever known
