Rockin Stroll

The Lemonheads

She takes me on a rocking stroll,
If you won't wave guess I won't know.
As by I roll I hope you'll throw a smile at me.
ause this here pram is all I've known.
I won't be walking till I've grown.
All I've been shown is everything I want to see.

People's knees and trunks of trees smile at me.
Looking upward to the sky, moving forward all the time.
The sidewalk lines, "gadunk-gadunk-gadunk-gdai."
If it's warm in here is it cold down there?
Around out where I can only stare.
I'm still aware of little but I'm gonna try.

I'm gonna try.
I'm gonna try.
I'm gonna try.
I'm gonna try. Oh!

She takes me on a rocking stroll,
If you won't wave guess I won't know.
As by I roll I hope you'll throw a smile at me.
Cause this here pram is all I've known.
I won't be walking till I've grown.
All I've been shown is everything I want to see.

People's knees and trunks of trees smile at me.
