August Day Song

Bebel Gilberto

(Lyrics by Bebel Gilberto, Nina Miranda, Chris Franck)Tentei contar
Tentei cantar
Tentei just la la la iaTentei tocar
Tambm danar
Assim, s para deixarS quero te dar
Se te falar
Se te just la la la iaS quero estar
Com seu cantar
Com seu just la la la iaJust like this rainstorm
This August day song
I dream of places far beyondOuvindo a chuva cair
No cinza um brilho aqui
Fico szinha, distrada
Mesmo tom
Mesmo som
Como bom, to bomJust like this rainstorm
This August day song
I dream of places far beyondOuvindo a chuva cair
No p um pingo aqui
Fico szinha, to distradaNo vou chorar
Quando lembrar
Do seu eterno olharI like to sing
And do these things
With you just pr variarI hear your voice
I sing for choice
With you just la la la iaTranslation:
I've tried to tell
I've tried to sing
I've tried just la la la iaI've tried to play
And also dance
Like this, just to let it goI just want to give you
If I tell you
If just la la la iaI just want to be
With your singing
With you just la la la iaJust like this rainstorm
This August day song
I dream of places far beyondHearing the rain fall
From the grey, a shining here
I stay alone, distracted

Same tone
Same sound
How It's good, so goodJust like the rainstorm
This August day song
I dream of places far beyondHearing the rain fall
A drop here in my foot
I stay alone, so distractedI am not gonna cry
When remembering
Your eternal glanceI like to sing
And do these things
With you just for a changeI hear your voice
I sing for choice
With you just la la la ia
