Advisory - the following lyrics contain explicit language:

I never seem to find a reason  
To let you in again, or forgive you  
I'm sick of feeling like I need you  
Knowing I never did, but I miss you Taking and breaking and hating  
I remember all you said to me now  
Taking and breaking and hating  
My memories are all stained again Let me get inside your head  
Let me show you I'm prepared  
Let me stick my needles in  
And let me hurt you again I never seem to find a reason  
To let you see again or forgive you  
I'm sick of feeling like I need you  
Knowing I never did, but I miss you Taking and breaking and hating  
I remember all you said to me now  
Taking and breaking and hating  
My memories are all stained again Let me get inside your head  
Let me show you I'm prepared  
Let me stick my needles in  
And let me hurt you again Fuck you for killing me, me  
Fuck you for killing me, me Yeah, let me get inside your head  
Let me show you I'm prepared  
Let me stick my needles in  
And let me hurt you again, again Fuck you for killing me
