

# eros and apollo

[unknown]

Yeah, with a boy like that, it's serious  
There's a boy who is so wonderful  
The girls who see him can help but follow him back home  
And the gigolos run like spiders when he comes  
'Cause he is Eros and he's Apollo  
Girls, with a boy like that, it's serious  
Senoritas, don't follow him  
Soon he'll eat your hearts like cereals  
Sweet Lolitas, don't go, you're still young  
But every night, they fall like dominos  
How he does it, only heaven knows

All the other men turn gay wherever he goes  
Wow!

Girls, with a boy like that, it's serious  
Senoritas, don't follow him  
Soon he'll eat your hearts like cereals  
Sweet Lolitas, don't go, you're still young  
Yeah, with a boy like that, it's serious  
Senoritas, don't go, please don't go  
Soon, he'll eat your hearts like cereals  
Sweet Lolitas, don't go, you're still young  
Sweet Lolitas, don't go, you're still young
