

Stand Your Ground

[Robbie Williams](#)

Stand your ground, you're big enough
Stand your ground, you know too much
Today drifts into tomorrow
And you could almost taste the sorrow
Stand your ground, you've had enough
Lost and found, diamond in the rough
Today drifts into tomorrow
You feel your soul's been borrowed
Stand your ground, the water's deep
Feel the sand beneath your feet
I know your prayers seem hollow
But when it's hard they follow
