

# Addicted To Love

Alex Clare

Your lights are on, but you're not home

    Your mind is not your own

    Your heart sweats, your body shakes

        Another kiss is what it takes

        You can't sleep, you can't eat

        There's no doubt, you're in deep

        Your throat is tight, you can't breathe

Another kiss is all you need, oh You like to think that you're immune to the stuff, oh yeah

    It's closer to the truth to say you can't get enough you know

You're gonna have to face it,Â you're addicted to love You see the signs, but you can't read

    You're runnin' at a different speed

    You heart beats in double time

Another kiss and you'll be mine, a one track mind

    You can't be saved

    Oblivion is all you crave

    If there's some left for you

Don't mind if you do oh You like to think that you're immune to the stuff, oh yeah

    It's closer to the truth to say you can't get enough

    You know you're gonna have to face it

You're addicted to love Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

Might as well face it, you're addicted toÂ Your lights are on, but you're not home

    'Cause your will is not your own

    Your heart sweats and teeth grind

    Another kiss and you'll be mine

Oh ooh You like to think that you're immune to the stuff, oh yeah

    It's closer to the truth to say you can't get enough

    You know you're gonna have to face it

You're addicted to love Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

    Might as well face it, you're addicted to love

Might as well face it, you're addicted to love  
Might as well face it, you're addicted to love  
Might as well face it, you're addicted to love  
Might as well face it, you're addicted to love  
Might as well face it, you're addicted to love

Might as well face it, you're addicted to love  
Might as well face it, you're addicted to love  
Might as well face it, you're addicted to love  
Might as well face it, you're addicted to love  
Might as well face it, you're addicted to love
