## Marie Barnett

I can't use what I can't abuse  
And I can't stop when it comes to you  
You burned me out but I'm back at your door  
Like Joan of Arc coming back for moreI nearly died  
I nearly died  
I nearly diedI came to knock you up, I came to cut you down  
I came around to tear your little world apart  
I came to rip you up, I came to shut you down  
I came around to tear your little world apart  
And break your soul apartAh, you burn and burn to get under my skin  
You've gone too far now, I won't give in  
You crucify me but I'm back in your bed  
Like Jesus Christ coming back from the deadI nearly died  
I nearly died  
I nearly diedI came to knock you up, I came to cut you down  
I came around to tear your little world apart  
I came to rip you up, I came to shut you down  
I came around to tear your little world apart  
And break your soul apartI nearly died  
Oh, I nearly died  
I nearly diedI came to cut you down, I came to knock you up  
I came around to tear your little world apart  
I came to shut you down, I came to rip you up  
I came around to tear your little world apart  
And break your soul apartTear your little world apart  
Tear your little world apart  
And break your soul apartI can't stop when it comes to you  
I can't stop when it comes to you  
When it comes to you  
When it comes to you
