

# Maybe I'm Dead

## Money Mark

I'm just a fly on a window pane  
Tryin' to get inside  
I'm just a spider making my web  
Underneath your house  
Maybe I'm deaaaa-a-ad  
Maybe I'm deaaaa-a-ad  
I'm just a rabbit going on the run  
And I know I'm gonna get caught  
I'm just a snake sliding in the sun  
And I'm living in your flower pot  
Maybe I'm deaaaa-a-ad  
Maybe I'm deaaaa-a-ad  
I'm just a fly on a window pane  
And I'm tryin' to get inside  
Maybe I'm deaaaa-a-ad  
Maybe I'm deaaaa-a-ad
