

# Why

## Robert Plant

Why Oh, the sandman is running  
Oh, he ain't telling you why  
But she knows, yeah, she knows Oh, the thunder is roaring  
Oh, hear his wings in the sky  
And he knows She don't know, she don't know, she don't know  
She don't know, she don't know, she don't know why  
Oh, why She wants it bad, ohh, she wants it bad, ohh  
When you're lost and found a brand new way  
Here comes another happy end Now the black night is falling  
Oh, see that tear in your eye  
'Cause you know You don't know, you don't know, you don't know  
You don't know, you don't know, you don't know why  
Oh, why She wants it bad, ohh, she wants it bad, ohh  
When you're lost and found a brand new way  
Here comes another happy end Oh, now the new day is dawning  
Ohh, to my past kiss goodbye  
And you know We don't know, we don't know, we don't know  
We don't know, we don't know, we don't know  
We don't know, we don't know, we don't know why Ohh, why, w-w-why  
Ohh, why, ohh, why, oh, why  
Why, w-w-why
