On The Radio

Cimorelli

Verse 1:
Blue eyes, a smile like the top of the sun
Bright face, and mistakes never looked this way
Cause I wrote your name on this page
And it's been there ever since

And lately, I've been dancing in my sleep
Cause
Our love is sweet summer song (sweet summer song)
It's better when you sing along

Chorus:
I wanna hear that song on the radio
So turn it up, turn, turn it up
Oh you just tell me where to go
Just let me know, oh let me know
Let me know, let me know, let me know

Verse 2:
I see your eyes in every city light
You smile at me, so right
And I still have every snapshot in my mind
Cause you took my hand
That you made in the sand
