Suspended

Matt Nathanson

When you lead me and fit around my tongue

It's so easy, to forget that I'm lost

Spent all of my life waiting for answers

To lift me, to numb me, to define it allSunshine

I'm beginning to like this'Cause all I want to be is the minute that you hold me in

When you pretend that I'm all that you waited for

Time slips to nothing and I'm better than I've ever been

Yeah I'm suspendedWith your breathing, filling up my lungs

I can almost believe that I'm almost enough

I spent all of my life emptied of anthems

Bracing for something that never did comeSunshine

I'm beginning to like this

Sunshine

I'm beginning to like it'Cause all I want to be is the minute that you hold me in
When you pretend that I'm all that you waited for
And time slips to nothing and I'm better than I've ever been
Yeah I'm suspendedIt's not enough to stay surrounded
It's not enough to stay awake, torn and braced, cornered
And not feel aliveSunshine
I'm beginning to like this

Sunshine

I'm beginning to like it'Cause all I want to be is the minute that you hold me in
When you pretend that I'm all that you waited for
And time slips to nothing and I'm better than I've ever been
Yeah I'm suspended

Yeah I'm suspended I'm suspended
