

Infernal Desire

Malevolent Creation

Animal remains, mutilations
Organs removed, homicide of humansJugular veins, torn wide open
Blood is drawn, High priest obeysFreedom of religion
One law abused and raped
Carcass filled maggots
Stalking innocent life
Become a believer
Your soul, for them to makePagan followers, looked down upon
Cast forth in robes, around they prayAll that is holy, now far gone
Victim beheaded, sacrifice madeCarcass filled...
...soul for them to make
