

# Kind Of...

## [Link 80](#)

Hey, I can't, sometimes it makes me late, I wish I'd done some crazy act to prove my fate, I'm very late, I'm a normal boy, the night gets late, I smoke another cigarette, my youth is here but I'm feeling kind of lost in it, I'm very late, I'm a normal boy, but I need to grow with my mind, I feel as I was blind.
