Not Wrong Long

Nazz

Baby doll, you've been caught again
Telling tales about your special friend
But I can see by the look in your eyes
I may be wrong but you're telling lies
You're telling, you're telling liesGet it straight, you can't fool me no more
Telling me how I misjudged you before
But this is something I believe all along
I may be wrong but I'm not wrong long
I'm not wrong, I'm not wrong longLook behind
You better look behind
Just what you'll find
You know just what you'll find
I'm not blind
And you know I'm not blindDon't waste my time
Don't waste my time
Don't waste my time
I know a cheater when I see oneDon't you know, I don't want to be hard
But I'm a man and you can push me too far
'Cause this is something I believe all along
I may be wrong but I'm not wrong long
I'm not wrong, I'm not wrong long
I'm not wrong long
