

Pretty Wings

Peter Lee Johnson

I dont want this thing to come to a demise
And maybe your surprised as to how much i adore you
 I just want to love you
 I hope you understand me
 Cuz everytime that i look you in your eyes
 The time we spend together
 In my mind forever
 Dont you ever leave me
 Please dont worry
 Dont have no fear
 Your superwoman's here to save you

 Fixin all your problems
 Are you feelin me
 I want you to stay with me
 So we could see
 If we should be
 And make some history
 At night i cant fall asleep
 Please stay with me
 Dont ever leave
 Im beqgin please
 Im beqgin please
