Stop, Look and Listen

Jeff Beck

Look at the love look at the tears
Look at the heart look at the fears
Look at the eye look at the soul
Look at the top look out belowWhat you thinking
What you see may no be what it seems to be
So get up get up and down
So look at her then the eyes
Don't be blinded by the light
So get up get up and downLook at the love look at the tears
Look at the heart look at the fears
Look at the eye look at the soul
Look at the top look out belowYou got a witness
Can you swear what you see in front of you is really there
So get up get up and down
So look at her then the eyes
Don't be blinded by the light
So get up get up and downLook at the love look at the tears
Look at the heart look at the fears
Look at the eye look at the soul
Look at the top look out belowStop look and listen stop look and listen
Stop stop stop look and listen
Look at the heart look at the soulStop look and listen stop look and listen
Stop stop stop look and listen
Look at the heart look at the soulStop look and listen stop look and listen
Stop stop stop look and listen
Look at the heart look at the soulStop look and listen stop look and listen
Stop stop stop look and listen
Look at the heart look at the soulLook at the heart look at the soul
Look at the heart look at the soulLook at the heart look at the soul
