

# That Ain't Me

## Hushpad

Cut the music up, please  
Yeah, I should never leave hip-hop  
Controlled by my two hands, they go tik-tok  
Around the clock, yes, it's my time, my throne  
Better know the time of day in any fuckin' time zone  
I'm feeling like I'm on top of the rhinestone  
Pullin' the ladder from heaven, about to climb home  
Mental thoughts are sharper than the pinecone  
In this world of numbers, I keep my nine on  
And I don't go to church because they lying low  
And the preacher, he be gettin' his shine on  
But I know my Lord, I am God's own  
Banks on my hands, tick tick, a time bomb  
Yeah, don't you know I'll be, I'll be  
Yeah, don't you know I'll be, I'll be  
Yeah, don't you know I'll be, I'll be  
I'll be here 'cause I won't quit, yeah  
You can try to lock me up  
You can try to break me down  
But I stay strong, it's my throne  
Can't stop now 'cause that ain't me  
You can try to lock me up  
You can try to break me down  
But I stay strong, it's my throne  
Can't stop now 'cause that ain't me  
Try to stay afloat on my inner tube  
When they turn my city into a swimming pool  
Before that, it was a living cesspool  
We got get on our shit like nats do  
Police's be on my tip like hats do  
But I just stay strong like blacks do  
Never saved by the bell in a black school  
And I stay in trouble like Zack do  
And in this game nobody's on my plateau  
Therefore my name remains like a tattoo  
Yes, I take giant steps in Shaq boots  
B-I-R-D man junior or Weezy F Baby  
Yeah, don't you know I'll be, I'll be  
Yeah, don't you know I'll be, I'll be

Yeah, don't you know I'll be, I'll be  
I'll be here 'cause I won't quit, yeah  
    You can try to lock me up  
    You can try to break me down  
    But I stay strong, it's my throne  
    Can't stop now 'cause that ain't me  
    You can try to lock me up  
    You can try to break me down  
    But I stay strong, it's my throne  
    Can't stop now 'cause that ain't me  
    (That ain't me)  
    You see, I won't stop  
    (That ain't me)  
    Ooh, I won't quit  
    (That ain't me)  
    No, I won't stop  
    (That ain't me)  
    'Cause that ain't me  
    Alright, alright, alright, alright  
    I'm in their conversations  
    The titles up for grabs, I'm into confiscation  
    Punch, shot or stab now you're the doctors patient  
    Wild like an Arab from the Islamic nation  
I get money 'round the clock, ain't got no time for hating  
    And these niggas ain't shit like they constipating  
I get the coupe with the kit, watch me lobster red it  
    Drop the top at the light, that's when I be heading  
    So far ahead of them, I feel outdated  
    But I feel electric like I'm Raiden  
Used to play Mortal Kombat when I was a couch potato  
    And now I'm coming out with faders, no homo  
    Yeah, don't you know I'll be, I'll be  
    Yeah, don't you know I'll be, I'll be  
    Yeah, don't you know I'll be, I'll be  
    I'll be here 'cause I won't quit, yeah  
    You can try to lock me up  
    You can try to break me down  
    But I stay strong, it's my throne  
    Can't stop now 'cause that ain't me  
    You can try to lock me up  
    You can try to break me down  
    But I stay strong, it's my throne  
    Can't stop now 'cause that ain't me  
    (That ain't me)  
    You see, I won't stop

(That ain't me)  
Oh no, I can't stop  
(That ain't me)  
'Cause I won't quit, no, I won't quit  
(That ain't me)  
No, that ain't me
