# Beverly Kills

## Dance Hall Crashers

It feeds on every dream you've had
And lures you in, only to feel bad
That dull thud you've gotten used to
Is just her way of welcoming youIt never meant to kill you
But of course, it's deliberate too
Those promises meant nothing
She just laughs at your chest poundingBeverly kills, don't let it get you
Beverly kills, don't let it get you
Beverly kills, don't let it get you
Don't let Beverly kill you tooAnxiety, you've come to know
Just relax and try to breathe slow
There's nothing much you can do
Just don't let her see what scares youBeverly kills, don't let it get you
Beverly kills, don't let it get you
Beverly kills, don't let it get you
Don't let Beverly kill you tooAnd if you get out of there alive
Try to find a place to go run and hide
Where your heart won't turn black
Just bring your soul backBeverly kills
Beverly killsBeverly kills, don't let it get you
Beverly kills, don't let it get you
Beverly kills, don't let it get you
Don't let Beverly kill you too
