Did It In a Minute

Daryl Hall & John Oates

When you find yourself alone
And when going out is coming home
You rely on "the kid" `cause there's nobody waiting around
If you're not an easy mark
It's a shot in the dark that hits the heart
I know when it's coming
(I thought so anyway)
Some things stay the some and some are due for change
I thought I had them all nailed down
But you turned `em around
You did you did it you did it you Did it in a minute
it didn't take long
Well I still can't say I know
When a love is real or touch and go
And if two can be one, who is the one two becomes
Am I quick enough to see
When I'm ready and it's right for me
Say that I want it (I think so anyway)
Everybody always laughs at love
But what they want is to be proven wrong
Then you came along and I did it
