

# A Kiss Before I Go

**Ryan Adams**

One, two, one, two, threeThe engine turns on a dime  
But I ain't goin' nowhere tonight  
I ain't been goin' nowhere for quite awhile  
Can't tell the truth in a house of lies  
Can't explain what I don't know  
One shot, one beer and a kiss before I goOne more kiss 'fore I go  
One more night and day  
Breath all heavy and slow  
One shot, one beer and a kiss before I goI'll miss those nights at the bar  
With every girl all loaded like freights  
And the pain in the morning comes as easy as it goes  
Can't find the truth in a house of lies  
And you can't see tomorrow with yesterday's eyes  
One shot, one beer and a place where nobody criesOne more kiss 'fore I go  
One more night and day  
Breath all heavy and slow  
One shot, one beer and a kiss before I go
