Too Close

St. Lucia

(Verse 1)
An empty house, an empty heart
Throw it away, too late to take a different part
I hope we escape(Verse 2)
An empty house, an empty heart
Throw it away, too late to take a different part
Let's hope we escapeI'll hold you,
Too close
I'll take you,
Too close
When I turn,
we'll turn
We'll still be,
Too closeI'll hold you,
Too close
I'll take you,
Too close
When I turn,
we'll turn
We'll still be,
Too close
