You Forgot You Loved Me

Jann Arden

You Forgot You Loved Me-Jann Arden
You even called to me, summer came, but I can't
See the sun in my house of rain
I should feed the cat, I should do the dishes
I should wash my hair and just on wishin'
That every day will be the day before
That I'd look up and you'd come through the door
You forgot you loved me, you loved me
You forgot you loved me
Wish to God it was someone else
I don't wanna blame myself
Cause the cheating round didn't hurt so much
As finding out that I was not enough
Impossible to wrap my head around
How can I wake my heart now to regret?
You forgot you loved me, you loved me
You forgot you loved me
Impossible to wrap my head around
How can I wake my heart now to regret?
You forgot you loved me, you loved me
You forgot you loved me
You forgot you loved me
