

# Honey Bee

## Savoy Brown

Sail on, sail on my little honey bee, sail on  
Sail on, sail on my little honey bee, sail on  
I don't mind you sailing  
But please don't sail so long Sail on, sail on my little honey bee, sail on  
Sail on, sail on my little honey bee, sail on  
You gonna keep on sailing  
Take me to your happy home I hear a lot of buzzing, sound like my little honey bee  
I hear a lot of buzzing, sound like my little honey bee  
She been all around the world making honey  
But now she's coming back home to me I hear a lot of buzzing, sound like my little honey bee  
I hear a lot of buzzing, oh sound like my little honey bee  
She been all around the world making honey  
But now she's coming back home to me
