Victoria

One Man Army

Last Time In Victoria
It Was Three Am
Ain't No One Near
It Was Me And You
In The City Lights
On The Outside
Sharing Lines

And Empty Bottles Of Good Time
For The Last TimeIn VictoriaTonight The Stars Don't Shine As Bright
As They Use To

They've Gone And Buried It All HereIn VictoriaThey Changed The Old Locks
They Got New Voices
You Don't Understand
She'd Say Things Got Complicated
Where Were You?

When Your Friends Died
One By One Here
You Can't Come Around Look'n For Shadows
Or Your Use Too'sIn Victoria
