

# Self

Ã³Ã,Ã§Ã²Ã•Ãª

Artist: American Head Charge

Song: Self

No sense of self

To balance it off

Preconceived notions of something

That everyones gone

Will I show up

With all that I have to give

Would you consider it a gift

But that

Doesnt matter anyway

It doesnt matter anyway

It doesnt matter anyway you

Liar

You're such a

Liar

On your hands and knees

Picking up the broken pieces

Liar

You're such a

Liar

On your hands and knees

Afraid to turn my head

For fear of whats behind me

Only one resource left

So dont frown on my surprise

Is this all you have?

Is that all you know?

I swear Ive seen you before

But that

Doesn't matter anyway

It doesn't matter anyway

It doesn't matter anyway

It doesn't matter anyway you

Liar

You're such a

Liar

On your hands and knees

Picking up the broken pieces  
Liar  
You're such a  
Liar  
On your hands and knees  
Pleasingly (falling apart)  
Pleasingly (oblivious)  
Pleasingly (falling apart)  
Pleasingly (oblivious)  
You've left with more of the same  
I cant win  
You've left with more of the same  
I cant win  
You've left with more of the same  
I cant win  
You've left with more of the same  
I cant win  
You're such a  
Liar  
Liar  
Liar  
Liar  
You're such a  
Liar  
Liar  
Liar  
Liar
